

**THANK YOU FOR PURCHASING YOUR FOLDABLE 2 DOOR METAL CUPBOARD.**

Please carefully read and follow these instructions to assemble your cabinet.

ENSURE PROTECTIVE EYEWEAR AND GLOVES ARE WORN WHEN ASSEMBLING THIS UNIT.

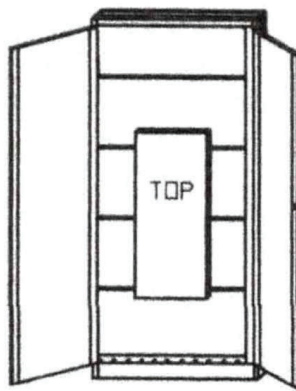

## Step 1

Open carton with doors facing up or out.

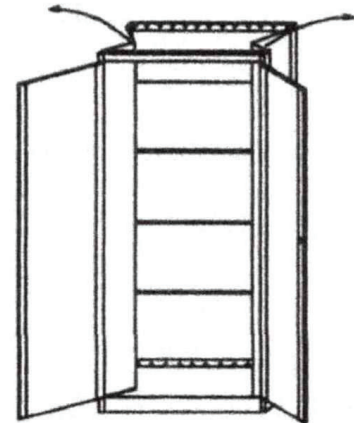

## Step 2

Open doors and remove top section.

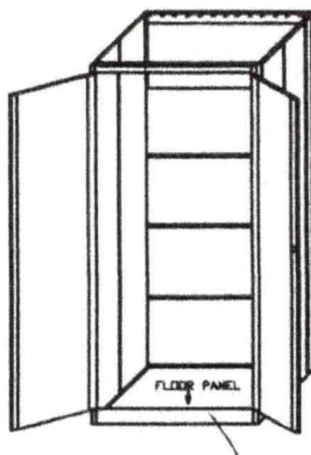

## Step 3

With the cupboard in an upright position, fold the sides out to form a rectangle. At this stage of the assembly, the shelves can be folded into position.

## Step 4

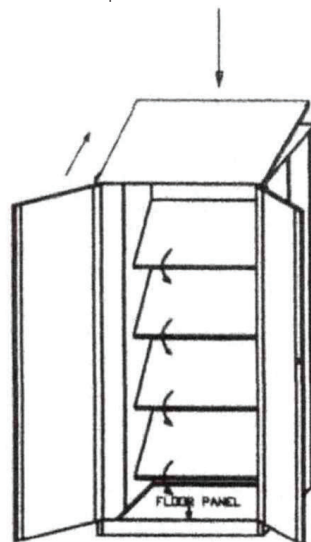

Fold the bottom floor panel down into position. If required, adjust the spring hinged shelves to individual requirements. Install the shelf clips.

Floor panel must extend over the front panel lip.

## Step 5

Push the front of the top section firmly into the cupboard.

## Step 6

Press the back corners of the top section down into position. If required, secure the top with the supplied screws.
